

HAGANE

THE FINAL CONFLICT

The Fuma clan protects the Holy Grail which is said to possess the power to destroy the world. When the Koma clan attacks and steals the Holy Grail, only one ninja survives. Transformed into a cyborg, it is his task to retrieve the Holy Grail and save the world.

Hagane is an action-oriented platformer, featuring five stages, divided into several sub-stages, filled with lots of enemies, jumping puzzles, mid- and endbosses. The titular main character can perform double jumps, jump off walls, use four different weapons, slide over the ground, somersault to dodge attacks and use several different special attacks.
