

# MEGA MAN X<sup>2</sup>

X RETURNS FOR TWICE AS MUCH INSANITY!

Just when Mega Man X thought he had brought down all the X-Hunters, several months later an uprising moves from within an abandoned factory. While 8 all-new X-Hunters occupy Mega Man X, a triple threat plots to resurrect a secret weapon that is all too familiar!

The good Dr. Light supplies Mega Man X with incredible new abilities hidden in capsules buried deep below the surface. And with new vehicles like the mobile attack cycle plus powers he gains from X-Hunters, Mega Man X will be ready to face his destiny as a Maverick Hunter. Now it's all or Zero for Mera Man X!

- Enhance realism and 3-D effects with the new CAPCOM C4 graphics chip!
- Search for the hidden capsules for added powers to compliment the weapons acquired from each of the 8 wild X-Hunters
- Additional 13 X-Hunter battles after destroying the original 8 X-Hunters
- For 1 player
