

PART 2: THE CHAOS CONTINUES

You Won The Battle, Get Ready For The War.

A year has passed. No one has set foot in Jurassic Park... until now. As Dr. Grant, you'll venture back to the island, where more dinosaurs than you could ever imagine await your return - including all-new species.

It's a totally different game this time. You'll realize it once the nerve-snapping sounds & graphics get a hold of you. Go it alone or team up for terrifying 2-player action. Only you have the power to send these prehistoric monsters back where they came from.

Only you can close the doors on Jurassic Park... for another 65 million years!
