

LAGOON™

Lakeland has a drinking problem. All the water has been fouled, and it's up to you to find out why. As Nasir, Child of Light, you will embark on a quest that demands great courage and fortitude. It's a journey that takes Nasir from childhood to manhood, played out against breathtaking, 16 bit backdrops. Along the way, you must negotiate a network of labyrinths filled with horrifying, 3-D creatures. Using weapons, magical items and 16 spells, you can turn the tide, defeating the forces of evil and restoring pure water to this once tranquil little town.
